10 Hurt During Auto Accidents In This District

Four Crashes Reported By Highway Patrol For Past Week

Ten people were injured and treated at the Tahoe Forest Hospital during the past week as the result of four automobile accidents in this area.

In a three-car collision near Big Bend Sunday afternoon, Mr. and Mrs. John H. Russell of Berkeley and Mr. and Mrs. Horace VanHook of Oakland were hurt when the car driven by Russell went over the center line, according to the highway patrol, and crashed headon into an east bound machine occupied by Mr. and Mrs. Edwin J. Jones and their 15-year-old son, Frank B. Mrs. Jones and the boy were hospitalized and the latter may lose the sight of one eye.

Patrolmen William Gautsche and Lyle Tice made the investigation.

Car Overturns

Jimmy Anderson, 42, Sacramento was treated at the hospital after his car hit the rocks while coming down Donner grade and overturned. He was cited by Patrolman Martin Sturcke for speeding. The accident occurred Friday morning.

Headon Crash

Paul Ocorr, Long Beach was cited after attempting to pass a truck on Donner grade Saturday afternoon and his car hit one driven by James Graves of Pittsburg headon. Mrs. Ruth Graves and Marshall Crawford, also in the Graves car were hurt. Ocorr was not injured. Patrolman Carroll Maynard issued the citation.

Car Hits Tree

Anthony Ryerson, Lake Forest, Illinois, was taken to the hospital Friday after his car left the Squaw Valley road and crashed into a tree. Patrolman T. F. Sheehan is investigating.

All the injured were taken to the hospital by Truckee ambulance.

Girls Attend Athletic Meet At Richardson's

This past weekend, five girls representing the Tahoe-Truckee High School Girl's Athletic Association, under the direction of Miss Betty Raker, presented a panel entitled "School Spirit" at a Girls' Athletic Association conference at Richardson Springs.

Also this weekend, seven Tahoe-Truckee High School California Scholarship Federation members, under the direction of Miss Thelma Finger, attended a California Scholarship Federation conference at Sacramento.

Change Announced In Western Union Office

Mr. and Mrs. William Spratt are on vacation prior to going to Maxwell where Spratt has transferred as Western Union telegrapher.

Mr. and Mrs. Nelson C. Camp, recently of Colusa have arrived to stay for an indefinite time, the former taking the place vacated here by Spratt.

Nursery School Group Will Meet On Tuesday

The next regular meeting of the Truckee Parent Nursery School group will be held in the Truckee Elementary School Tuesday, May 24 at 7:30 p.m., Mrs. Paul Capel, publicity chairman, announced.

There will be a short business meeting and Dr. Ben King will give a talk at 8 p.m. followed by a question and answer period. The public is invited to attend the meeting.

North Tahoe Women Planning Fashion Show

KINGS BEACH—North Tahoe Women's Club will hold their monthly luncheon at Sierra Lodge on May 23 at 1 p.m.

Highlighting the afternoon, will be a fashion show from Jean and John Palmer's New Riviera Shop at Kings Beach. Fashions will be casual, sports and beach wear. Members of the club will be models and those participating will be Edna Ferguson, May Critchley, Enola DeGregorio, Mickey Stevenson, Bernice Franklin, Kay Felte and Camy Althof.

Reservations may be made by calling Liberty 6-2274 or Liberty 6-2239. All reservations should be made by Friday, May 20.

BUICK SALES

Osburn's Buick Garage this week reported the sale of two new cars, one, a special Riveria going to Mr. and Mrs. E. H. Althof of Kings Beach and the second, a similar style, being purchased by Ernest Fernandez of Reno.

To Hospital—

Mrs. Art Kehm is scheduled to enter a Reno hospital today where surgery will be performed.

DeMolay To Install First Officers At Meeting Saturday

Tahoe-Truckee Chapter Order of DeMolay will be instituted Saturday afternoon, May 21, at 2:30 p.m. in the Masonic Temple. All Master Masons and DeMolays are invited to be present at the afternoon session. None other can be admitted.

Deputy Grand Master Robert H. Parker with a corp of officers from the DeMolay chapters in Reno, Sparks, Carson City and Yerington will be present to put on the work in the afternoon and evening. At 6:30 there will be a dinner by reservation only.

The evening ceremonies will begin at 8 p.m. with the DeMolay flower talk, followed by the installation of officers. The evening session is open to everyone whether of Masonic affilation or not.

A musical program and refreshments will be served at the close of the evening.

The following officers are to be installed: Dick Mandeville, master councillor; Bill McLain, senior councillor; Jimmy Crawford, junior councillor; Pat Griffith, treasurer; Erwin Single, scribe; Douglas Wilson, senior deacon; Roger Holbrook, junior deacon; Gary Anderson, senior steward; Robert Sach, junior steward; Dennis Scovell, chaplain; Scott Gilmore, almoner; Wes Ball, marshall; Kenny Vaughn, standard bearer; Dean Holbrook, orator; Dean Herzog, sentinel; Wayne Philippi, dad advisor; Robert Trask, Mayton Record, Richard Griffith, Floyd Cooper, Mike Bonner, Clyde Mandeville and Donald Van Hooser, preceptors.

Homewood's New Dial System Is Operatng

Homewood's new dial telephone system went into operation last Friday, May 13, right on schedule—with no complications—Telephone Manager C. F. Berlenbach, said today.

Berlenbach reminded telephone users that in placing out-of-town calls, dial the figure "O" and give the details of the call to the operator who answers.

"She is your long distance operator," he said.

And for information, repair service, the business office, time of day, and assistance on placing calls, also dial the figure "O" for operator and ask for the service desired.

Here are some tips on how to make the best use of the new dial telephone system:

(1) Do not turn the dial while talking. It may break the connection.

(2) Always hang up for a few seconds between calls.

(3) Be careful not to confuse the letter "O" with the figure "0" (zero), nor the letter "I" with the figure "1" (one).

Baby Daughter Arrives For Truckee Couple

Mrs. John Waller and infant daughter, Jacqueline Ruth, arrived home from Reno, yesterday where the little girl was born on Saturday, May 14. The child weighed a plump 7 pounds, 9 ounces at birth. Her maternal grandparents are Mr. and Mrs. Clarence Osburn of Truckee.

Former Hobart Man Dies At Paradise Home

Graveside rites, officiated by Father Ronan Brennan, were conducted at the Truckee cemetery Tuesday afternoon for Thomas Francis Maher, 69, a former resident of Hobart Mills, who died at his home in Paradise, May 15. The Truckee Colonial Mortuary was in charge of arrangements.

Car Is Stolen

Nace Firpo notified the California Highway Patrol on Monday that his Dodge car which had been standing in front of their house at Gateway Park late Sunday evening was stolen from there between 10 p.m. Sunday and 6 a.m. the next day.

SPECIAL MEET

There will be a special meeting of the governing board of the Tahoe-Truckee Unified School District at the Tahoe-Truckee High School on Monday, May 23, at 8 p.m.

Traffic Decline Last Month Is Blamed On Road

Unfavorable Reports Divert Cars During Time Road Blocked

Probably due to the unfavorable publicity occasioned by the unnecessary closure of Highway 40 near Emigrant Gap on April 17, travel during last month into California via Truckee showed a decline over April, 1954, but the figure was up somewhat over March, a report from the state department of agriculture shows.

The Truckee Quarantine Station inspected 26,029 cars, 3164 trucks and 547 buses during April, compared to 27,570 cars, 2183 trucks and 531 buses during April of last year.

There was a gain of more than 4000 vehicles last month as compared with March.

Despite the drop, Truckee was in fourth place as a point of entry, exceeded only by Yermo, Blyth and Fort Yuma, all in southern California. No other station came anywhere near the Truckee mark.

Meyers on Highway 50 showed 7118 cars, 325 trucks and two buses checked during April, a gain of over 2000 over March, but a slight drop from April, 1954 when 7434 cars were inspected.

School Election Is Set For Tomorrow

There is apparently little interest in the annual school board election scheduled for tomorrow between the hours of 1 and 7 p.m. and at which only one candidate for the one vacancy has filed.

The only candidate filed for the post to be vacated by Thomas Lucas of Kings Beach, a charter member of the board, who declined to seek relection, is Jack Felte, of Kings Beach.

Polling places have been set up in the old school house at Floriston, the Truckee Elementary School, the Kings Beach school, the Tahoe Lake school and the Donner Trail school.

Welch Will Address Wyethia Club Friday

Hal Welch, president of the Truckee Chamber of Commerce, has been asked to speak at the meeting of the Wyethia Club on Friday, May 20, when Mrs. Fred Pedley will preside in the absence of Mrs. Charles Heller, president of the organization.

Mrs. Pedley will also give a report of her trip to Coronado on Friday, May 13, to attend a state convention of the Federated Women's Clubs. The officer will also present to the club the safety awards received at the Northern District convention held at Marysville the latter part of April.

Hostesses for the evening will be Mesdames I. Firpo, Robert Leamon, Walter Barrett.

21 NEW BOATS SOLD BY TAHOE CONCERN

TAHOE CITY—The Tahoe Boat Company, operated by Fred Main and Norman Mayfield, is looking forward to the busiest year in the company's history.

As an indication for the future, Main this week reported that already this spring 21 new Chris-Kraft boats, from the runabout type to the sleek, new sport Cobra, have been sold and the fourth carload was delivered at Truckee by the Southern Pacific during the past two weeks.

RENO LECTURE

The First Church of Christ, Scientist, of Reno, announces a free lecture on Christian Science entitled "Christian Science — Its Cooception and Its Consistencies" by Grace Jane Noee, C.S. of Chicago, will be held in the church edifice this evening at 8 p.m. and everyone is invited to attend.

ATTEND CONCLAVE

Edith M. Welch and Pearl Heller of Summit Temple No. 79, Pythian Sisters, this week are attending the 62nd annual Grand Temple in San Jose. The program runs from Sunday through tomorrow.

Question Of Class Location Studied In Local Meetings

Interest in the question of whether or not children of the seventh and eighth grades of the Tahoe-Truckee Unified School District shall be returned to their respective districts instead of remaining in unified classes at the high school apparently is still paramount.

Group meetings of parents, called by Superintendent E. V. O'Rourke have been held recently with an aim for explaining the setup and to get the expression of the parents.

Such a meeting was held at the Truckee Elementary School Monday night when parents who had voiced their dissatisfaction in having their children attend classes as currently arranged met with O'Rourke.

It is indicated that further meeting will be held in the future to get the question settled one way or another.

At Monday's meeting the following facts were established:

(1) The school population is growing.

(2) District-wide expenditures for enlargement of present school buildings and erection of additional separate structures will have to be made in the near future.

(3) These expenditures can be channelled toward a continuation of the present arrangement of including the 7th and 8th grades in a six-year high school, or a two or three year junior high school, or a return of the 7th and 8th grades to the various elementary schools.

(4) In the recent questionnaire survey on a district-wide basis only 57 per cent of the questionnaires were returned with a definite answer. In the Truckee area only 37 per cent were returned.

(5)The majority in both cases favored leaving the 7th and 8th grades in the six-year high school.

The primary objection to the present set-up expressed at this meeting was that the 7th and 8th grade children are too young to be placed with the more mature high school students before, during and after school. The opinion was that the resultant social and psychological problems outweighed the academic advantages.

Tahoma Man's Auto Hits, Kills Young Boy; Driver Held Blameless

Donald I. Rich, Tahoma, in charge of the Bliss State Park, was exonerated by the California Highway Patrol after his car struck and fatally injured an 8-year-old Elk Grove boy three miles south of the Sacramento city limits on Stockton boulevard Sunday.

The boy, Glenn Eugene Felt, son of Mr. and Mrs. James G. Felt of Elk Grove, accompanied by his cousin, David Felt of Florin, was attempting to cross the busy thoroughfare just as Rich passed another vehicle going in the same direction.

The local man declared he did not see the boy until two seconds before the impact which hurled him more than 150 feet.

Emerald Bay Road Is Reported To Be Open

The state division of highways announced the Emerald Bay section of State Route 89 along the west shore of Lake Tahoe was opened to traffic between Bayview and Bliss State Park.

The section between Richardsons and Bayview was cleared of snow about three weeks ago. Traffic now is permitted along the full length of the west shore highway.

Judge Visits—

Superior Judge James Snell was visiting with friends in Truckee Tuesday.

Move North—

Mrs. Richard Box has written that they have moved from southern California to Dunsmuir.

Two Events in May—

Mr. and Mrs. Lloyd Everett celebrated her birth date and their wedding anniversary during the first part of May.

Official Here—

Chief William LaMarr of the department of fish and game at Sacramento, accompanied by Mrs. LaMarr spent the weekend at their home on the Truckee River.

Wolverines End Baseball Season With 4th Victory

Coleville Drops Game To Local Boys, 4 to 8 To End Play

The Tahoe-Truckee High School baseball team closed out the most successful sport season in the history of the school last Saturday as they defeated the Coleville Wolves in a conference game, 8 to 4.

The win gave the Wolverines fourth place in final standings in the eight-team Western Nevada Conference, with four wins against three losses. Fallon, conference winner, was defeated by Basic High in the best two out of three game series for the state crown.

Coleville opened the scoring in the first frame as they tallied one run on a hit batter, a single and two fielder's choices. The Wolverines came back in the bottom of the first to tie up the game as Mike Vieu reached first on an error, and then scoored on an overthrow at second as he attempted to steal.

Coleville jumped into the lead once again in the second as they added two runs, highlighted by Firstbaseman Hayes' triple. But the lead erased for good in the big fifth inning, after the Wolverines had scored one run in the second. Mike Vieu led off the fifth frame with a booming bases-empty homerun over the right field fence. This was the start of the rally that saw five runs come home for a 7 to 3 lead that was never threatened. Singles by Craddock, Bowden and Thomas plus errors for Stewart and Dean Holbrook, and a walk by Mick Williams were all included in this outburst that broke up a tight game.

The Wolverines added a run in the fourth as Stewart singled in Craddock, while the Wolves pushed one across in the sixth before Mike Vieu came in to relieve starter Mick Williams, who was credited with the win and pitched a fine game to register his third win of the season. Special mention should go to Cecil Craddock, who filled in for regular Larry Williams at third base, and played a fine game.

SCOUTS, LEADERS TO JOIN IN AREA MEET

More than 700 Scouts and leaders of the Tahoe Area Council, Boy Scouts of America are expected to participate in the annual camping demonstration at the Rock Creek Dam Friday, Saturday and Sunday, May 20-21-22, it was announced today by Stan Wright, chairman of the council camping and activities committee.

Local Men Invited To Conservation Session

Earl Stice and Supervisor H. G. Loehr of Truckee have been invited to attend a meeting at the National Hotel in Nevada City, Tuesday at 8 p.m. when it is proposed to organize a Nevada County chapter of the Keep California Green, Inc.

The invitation was extended by Wayne G. Hubbard, secretary manager of the organization.

The Fibreboard Products Corp. will host the group at a social gathering prior to the meeting.

The organization is designed to call attention to the necessity of fire prevention.

Driver, Companion Are Fined In Local Court

William Arthur Stewart of North Sacramento, Monday morning appeared before Justice of the Peace Fosten Wilson on a charge of drunk driving and driving too close to another vehicle. Stewart was fined $500 on the first count, $15 on the second and $26 drivers school tax, or 103 days in the Nevada County jail.

A passenger in the car, Harvey Louis Rice was also fined $50 or 10 days in jail for being drunk in and about an automobile.

Andy Yost Cunningham of San Jose also appeared on the busy Monday calendar of Judge Wilson on a drunk driving charge, was fined $250, plus $13 drivers school tax or 50 days in the Nevada County jail.

School Thespians To Present Play Here On Friday

The high school's dramatics and music department, under the direction of Hugh Smith, and James Pringle Friday at 8 p.m. will present "Heart of a Hobo," an original play written by the students in collaboration with Smith, at the high school gymnasium. The public is invited and no admission will be charged.

Music score for the production was prepared by Pringle, Evelin Stinchfield is the student producer and Carol Levy, Ginger Reynolds and Carol Trent are on the production committee.

Many hours outside of school have been put into rehearsals, with all of the following cast taking part; Mary Ann Tonini, Phyllis Porter, Jimmy Allen, Ella Mae Mercer, Scott Gilmore, Erv Single, Harry Woodward, Mickey Williams, Gordie Stewart, Mike Bonner, Stanley Baker, Billy Verner, Sharon Pace, Lee Rich, Rosalie Christensen, Lynette Young, Ginger Reynold, Barney Gilmore.

Fishing Season Is Opened In Region

The fishing season—as it usually does—opened in this district Saturday with varied stories of luck, both good and bad.

And as usual, the weather acted up. The day dawned chilly and threatening and although hundreds of boats dotted Lake Tahoe and Donner for the first few hours, a strong wind blew up and boats were pulled to piers and fishermen sought the shelter of less hazardous locations.

The wind blew, rain, hail and even snow fell and Sunday morning the ground was white, keeping the less venturesome nimrods at home. However, those who did go forth were rewarded in a better than fair return. It was estimated that four fish for each fisherman in the district were caught.

Some good catches—even limits—were reported on the smaller streams. The Truckee, Little Truckee and Prosser creeks were the most favored streams in the area, but the fishermen reported only spotty results there. Limits came from Martis, Cold Stream, Sage Hen and the tributary streams.

Plants will be made by the department of fish and game in local streams and lakes from time to time throughout the season.

Telephone Company To Open Summer Office At Tahoe City Monday

C. F. Berlenbach, manager of the Pacific Telephone Company in this area, announces that effective next Monday, May 23, a new summer business office will be opened at Tahoe City.

The office will handle business transactions for those subscribers who live in the Tahoe City, Brockway, Homewood and Tallac exchanges. After Monday all business office calls from these exchanges should be directed at Tahoe City 291 and all correspondence should be mailed to the business office at Box 484, Tahoe City, Berlenbach said.

The local manager, who will be in charge of the new office as well as the present Truckee business office, invites everyone to visit the Tahoe establishment which is located at the Tahoe Wye adjacent to the Bank of America summer office.

Berlenbach emphasized that the new office will in no way detract from the service furnished by the Truckee office, the latter remaining open and continuing to serve subscribers in the Truckee and Soda Springs areas.

Family Arrives—

Mrs. C. H. Ray of Auburn and members of the family have been occupying her house on the Truckee River.

Guests for Weekend—

Mr. and Mrs. Robert Leamon had as their guests at the opening of fishing season, Mr. and Mrs. Charles Walker and Howard Leamon of Sacramento and Mr. and Mrs. James Leamon of Grass Valley.

May Date—

Frank Giovannoni, Jr., observed his birth date on May 11.

Summit Boy Is Killed In Freak Mishap At Play

Heavy Stove Lid Topples To Crush Boy To His Death

Tragedy hit the home of Mr. and Mrs. Louiis F. Carrasco of Donner Summit yesterday afternoon when their five-year-old son, Frederick, was killed in a freakish accident while playing in the yard of his home.

The little boy and a three-year old girl companion, Ray Ellen, daughter of Mr. and Mrs. Raymond Yerton of Truckee, were making mud pies and apparently "baking" them on an old abandoned commercial kitchen range when the heavy top of the stove fell on him crushing him to death.

The Truckee ambulance was called and N. F. Dolley rushed the child to the Tahoe Forest Hospital in a desperate attempt to save his life. He was pronounced dead on arrival.

Mr. and Mrs. Carrasco and their two children, Frederick, 5, and Walter, 4, came to the summit from Oakland and took over Vanderford's Lodge there last November and during their stay became well known in the area where their many friends will join in expressing most sincere sympathy.

The body was taken to the Truckee Colonial Mortuary and was being shipped to Oakland for funeral services.

Pre-School Roundup Is Scheduled Here For Friday Morning

A pre-school round-up of all children who will enter kindergarten or the first grade next school semester, will be held Friday between 9 and 11 a.m. at the Truckee Elementary School.

Principal Lynn Kishbaugh, Miss Patricia Meddaugh and Mrs. Charlotte Patnoude, assisted by Dr. L. D. Nelson, will conduct the round-up.

All parents of this group of children are urged to attend and be able to present birth certificates or other evidence of the child's age.

Music Festival Proves To Be Huge Success

Footnotes of the West, a program given in the Tahoe-Truckee High School on Friday, May 13 by the children of the Tahoe-Truckee Unified School District elementary grades and under the direction of their teachers was an event enjoyed by the large audience, crediting the success of the varied production to the earnest work of both pupils and their instructors.

Mrs. Ethel Joslin Vernon, and James Pringle were applauded for their hymn of the Sierra, the poem of Mrs. Vernon set to music by Pringle when sung by a children's choir.

SOFTBALL WILL BE TOPIC OF MEETING

Daven Morey, president of the Truckee Athletic Club is urging attendance at the Monday, May 23 meeting to be held in the Truckee Elementary School at 7:30. Discussion will be held to form leagues in both soft and hard ball for the near approaching season.

C.S.E.A FIXES DATE FOR ANNUAL PICNIC

The C.S.E.A. will hold a family picnic to be held at Donner Lake on Saturday, July 16, according to Daven Morey.

The coming event was decided upon at the meeting of the organization held May 12 in the Sportsman at which Ken Fuday presided.

Cub Scout Planning Meet Called Monday

A planning meeting of all Truckee district Cub Scout leaders, including den mothers, committeemen and scout representatives, will be held at the Daryl McGihon home Monday, May 23 at 7:30 p.m.

A busy session is contemplated and all cub leaders are urged to be present.

In Bay Area—

Mr. and Mrs. Frank Gaiennie returned home Sunday after spending several days in the bay area where Gaiennie attended a convention of the Pacific Coast Electrical Association and Mrs. Gaiennie spent the time with her son-in-law and daughter, Mr. and Mrs. R. W. Sykes and family in Berkeley.

Breaks Arm—

Sheila, daughter of Mr. and Mrs. Oliver Larribee fell and broke her arm last week.

Guest at Morro Bay—

Mrs. Annie Tonini has been a guest of Mr. and Mrs. Ben Tonini at Morro Bay.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO — (CNS) The effect of resolutions adopted by the California legislature and sent to the Congress as a guidance to what the Congress should do is something debatable. It does not seem reasonable to suspect that the Congress, receiving resolutions from all of the 48 states, and in volume if the California legislature's actions are any criterion, would pay too much attention to them.

However, the legislative resolution is about the only method that the entire state can express itself as far as the majority is concerned, and let the representatives in Washington know what the people back home are thinking. The value therefore, of the resolution is that it provides a guide for the Congressional representatives from the people of the state they represent, whether they pay any attention to it or not.

One of the more interesting resolutions before the California legislature at this session is by Assemblyman LeRoy Lyon, Jr., of Orange county. Lyon joined by 52 other assemblymen, a fact which virtually assures passage of the document through the house.

The resolution points out that during the past several years, a trend has developed, which is encouraged by judicial decisions, to extend the control of the federal government and its administrative agencies over various matters which are "essentially local in nature."

The trend, Lyon claims, is contrary to the constitutional concept that all powers are reserved to the states, except those that are specifically granted to the federal government. This concept dates back to the adoption of the federal constitution, and throughout the years that have followed that historic event, both Congress and the courts have done the best they can to negate this concept, Lyon claims. Thus, he says, the states have been effectively deprived of the right and power to regulate matters properly within the province of states to control.

The Lyon resolution urges passage by Congress of HR No. 3 which is a resolution indicating an intent on the part of Congress that it should not occupy the state field, and that no act of Congress shall be construed by the courts as invalidating a provision of the state law which would be valid in the absence of a federal law.

Lyon wants the state legislature to resolve to:

"Assure the preservation to the state of the rights to regulate matters properly within the province of the state to control, and to re-establish in the state such rights as have been denied under existing judicial decisions."

He declares that with all the multitude of subjects with which the Congress is now dealing, it is merely a question of time before the states will be deprived of practically all power and sovereignty in enactment and enforcement of laws for the protection of the health and welfare of their local citizens.

There appears always to be the inclination, when either an individual or a government sits on top, to consciously or unconsciously, usurp more authority than it was intended they should have. On the other hand, if the people are not alert to the usurption, they are then responsible for the eventual downfall of a system of government which originally was contemplated for the maximum benefit of the people.

GOLDBERG DEVICES USED TO MARK DEER

California Department of Fish and Game men are finding it easier to trace winter and spring deer migrations these days by means of paint or dye markers on the side of the animals, applied by a couple of "Rube Goldberg" devices developed by a department game man.

The idea of using markers to show migration routes is nothing new, but as any deer hunter knows getting close enough to apply the dye is something else again.

Some 20 years ago an enterprising U. S. Forest Service employe tried using bow and arrow, with a dye-soaked sponge on the arrow tip.

Today the department is using two types of self-actuated devices which shoot a blob of spray or dye at the unsuspecting deer as it travels the well defined migration trail.

One is a shotgun shell with shot and most powder removed, filled with dye, and mounted in a steel pipe chamber mounted along the trail. A trip string triggers a rat-trap which actuates the device.

A second one is a modification of a paint spray head with a small nozzle and actuated by a hidden treadle in the trail. Compressed air from a storage tank provides the power.

Dyes include purple, green and yellow and even peroxide which has produced a few deer with blonde spots on their sides.

The effect can be recognized for about a six weeks period. The devices have been tested on the San Joaquin winter deer range in Madera County, and the Lake Hollow range in Glenn and Tehama counties.

Melvin R. Clover of Lemon Cove, department hunter and trapper, was presented with a state merit award for his development of the shotgun shell marking device.

ENFORCEMENT MEN CANNOT LEGALLY HOLD RUM LICENSE

SACRAMENTO — (CNS) Employes of state or local government engaged in enforcement of the alcoholic beverage control act may NOT have an interest in an alcoholic beverage license.

This announcement was made by Russell S. Munro, director of the Department of Alcoholic Beverage Control, who announced strict enforcement of a rule previously adopted by the state board of equalization prohibiting such ownership.

The new department of alcoholic beverage control adopted the old board rule when it took over administration last January 1.

Included in the ban are not only employes of the department of alcoholic beverage control, but also employes of the state department of justice, district attorneys or city prosecutors; sheriff's offices; police departments, and former employes of the state board of equalization.

The prohibition applies to former employes of the board not only during their employment with the board or new department, but also for one year after they leave.

The regulations are contained in Rule 62, which became completely effective April 22.

Flag Day, June 14, commemorates the adoption by the Continental Congress in 1777 of the Stars and Stripes as the United States flag.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Convention

The District 4-A convention of the Lions International will start tomorrow, Friday, through Sunday the 22, with headquarters at Cal-Neva Biltmore. Walter Mandeville, president, informs me that all is in readiness for the big event. It will be under the general chairmanship of Dr. Cy Kerren of Roseville, assisted by Cloyd Sipes and Bill Ball of the Tahoe Club. Charles Heller of the Truckee Club and present Zone Chairman of North Donner has a very active part to play. Registration starts at noon on Friday to five p.m. There will be a golf tournament, a cocktail party at the Sierra Lodge from 4 to 6 p.m. to be followed by governor's dinner at 6:15 after which buses will leave for the southend of the lake at an invitation of District 4-N where there will be a ball. There will also be a children's theater party at 8:15, Saturday, breakfast honoring the presidents-elect, and business session starts at 10 a.m. At 3 p.m. student speakers finals contest with George Hawkins presiding, then at 6 to 7 p.m. a cocktail party to be followed by entertainment at 8:30. On Sunday, balloting for district governor and presentation of awards to winners of contests. The guest of honor at the convention will be James A. Chapman, international director of Rawlins, Wyo. Other local committee chairmen are: ladies chairmen, June Mandeville and Marjorie Pierce; housing chairman, Ernie Crawford; transportation, Dave Ashton. In fact all members will take active part in making the convention a success.

Tahoeite Back

Harry Stubley, our car selling real estate expert, is back in town after a very profitable stay in Reno during the winter. Harry looks as though he is ready to do a land office business this season and we hope he does.

The sympathy of everyone in the community goes to Mrs. Leo Marthaller and family it was a shock to us all to hear of the passing of Leo, under such tragic circumstances. He will be greatly missed, among his many friends, as the White House, his pride and joy, was one of the most popular resorts on the lake. We hope Mrs. Marthaller will carry on.

Don't Burn

Just a reminder again. Don't burn out of doors without first procuring a permit. No one is exempt.

Selling the Earth

Last week we were saying how glad we were to have Clarence S. (Butch) Beavers back on the U. S. Forest Service again. Now he tells us he has received a leave of absence for one year, but will be a fire warden which is a very important position in the area. Butch is in the office of the Tahoe Realty Co. of Mrs. Ruth L. Droste in Tahoe City. We wish Butch success in his new venture.

Prevention

Yes, and talking about fire wardens, you know it is most important that permits must be applied for before you start a fire going. Many fines were imposed last year for these infractions, so be sure rather than sorry. At Kings Beach go see Roy Porath at the Kings Beach Variety Store, a member of the North Tahoe Fire Control, and if all is in order, he will issue a permit.

Family Affair

Kenneth Lavery, the mink farmer, tells me that Minnie the Mink became a mother on May 6 at the home of her foster parents, the Laverys of Agate Bay. Four of the cutest little things you ever saw and not much bigger than your thumb. We wish her lots of fun bringing them up.

Ah, Well

Saturday morning, the first day for fishing in the creeks, and last night it was cute to see a knot of young fishermen getting their tackle ready for an early start this morning. Saw another enthusiastic trio gathering worms, but this early morning its windy; with snow flurries, and temperature 25, too bad, huh?

Short Stay

Lloyd A. Barnes and his mother, Mrs. Ella Blake, were up last weekend just to bring a load of things to carry them through the summer months which they intend to stretch as long as they can, before going back to Richmond.

Golf

The Brockway Golf course is opening up for the summer and I never saw it looking so good, just as green as can be. They tell me it will be in better shape this year than it has been for a long time. We hope.

Loaded

Was in Jerry Gordon's Department Store today. Department store is right. The store is literally packed with everything your hearts desire. Just as good as a city store.

Coming Event

The carpenters of this area are planning a real big night early next month. It will be in the form of a dinner and dance and will be held at Ta-Neva-Ho, Crystal Bay. Watch for further announcements about this big night.

Convention Center

As you read about the Lions convention being held this week, do you realize that is only one of a dozen or so we could have brought to the area if only we had an adequate building to house them? A building that would hold a thousand persons would be necessary. The area could be the most popular convention city in the state, and would bring thousands to the lake who otherwise might not visit us, and would give the lake untold popularity and advertising. It would be a boon to the resort owners, both winter and summer. Let your minds dwell upon the idea that we have dreamed of before. It can be done, maybe not this year, but look to the future of this great God given community. We can do it so, let's try anyhow, huh?

NOTICE TO BIDDERS

Notice is hereby given that the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, State of California, will receive, at the office of the Superintendent of Schools, Tahoe - Truckee High School, Truckee, California, up to, but not later than, 5:00 P.M. on Friday, June 3, 1955, sealed bids for furnishing lumber in accordance with specifications which are on file at the office of the Superintendent of Schools. Bids shall be opened and publicly read aloud at the above stated time and place. Bids must be accompanied by a certified check, cashier's check, or bidders bonds in the amount of 10% of the bid.

The owner reserves the right to reject any and all bids, in part or in total, and/or waive any irregularities or informalities in the bidding.

Dated this 17th day of May, 1955.

DENIS A. SACH,
Clerk of the Governing Board
TAHOE-TRUCKEE UNIFIED SCHOOL DISTRICT. m19-26-J2

NOTICE TO INTERESTED TAXPAYERS

The preliminary budget for the Truckee Fire District for the period July 1, 1955 to June 30, 1956 has been adopted by the Fire Commissioners of the Truckee Fire District, said budget being

Maintenance and operation	$4,200.00
Capital outlay	4,800.00
Total	$9,000.00

Said budget is available at the office of R. N. Little, Truckee, Nevada County, California for inspection by interested taxpayers.

The Fire Commissioners of the Truckee Fire District will meet at the office of R. N. Little, Truckee, Nevada County, California at 10:00 A.M. on June 24, 1955 for the purpose of fixing the final budget for the District. At that time and place any interested taxpayers may appear and be heard in regard to the increase, decrease or ommission of any item of the budget or for the inclusion of additional items.

R. N. LITTLE
Secretary, Truckee Fire District, Fire Commissioners. m19

Nice Trip

Four of our popular local girls spent the weekend at Richardson Springs at a students high school conference, leaving last Friday and returning Sunday night. They were Loma Sorensen, Joellyn Ashton, Sharon Little and Dianne Waddell. They were chaperoned by Betty Lou Raker, teacher at the high school.

Promotion

After quite a while, I hear that our good friend, Bill Althof has been promoted to sales manager of the Windmill Dairy. This is wonderful, and the next bit of news is, the same Althof have purchased a brand new and colorful BuickAnd then again, Camey tells me that her mother, Mrs. Florence Miles, has been up over the weekend. Sure nice to see her and looking so good too.

To Travel

The Bob Murrays of Tahoe Vista have arrived back at their home, but only for a short while, as Bob tells me they are leaving for Europe early in June. They contemplate visiting three countries over there. I am expecting a card from each country, Bob, so be on your toes.

Church

A wonderful delegation of the F&AM (Free and Accepted Masons) attended the morning service of the Community Methodist Church at Kings Beach last Sunday. Tom Lucas made the introduction of each member separately. Rev. A. B. Covher preached on the "Open Mystery of the Gospel." The choir gave a special number and Margie Charrison was at the piano in place of Ruth Mizner who was out of town. It is expected that the new organ also choir robes will be in use shortly. Choir practice will be Friday night at 8 p.m.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

May 17, 1955

To Whom It May Concern:

Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Euer Valley, 10 miles N W of Truckee, California

Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance on original application of an alcoholic beverage license for these premises as follows:

On-Sale General (Seasonal-Quarterly) license

Anyone desiring to protest the issuance of such license may file a verified protest with the Department of Alcoholic Beverage Control at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

NEWS NOTES FROM TAHOE

By Ethel Joslin Vernon

The regular weekend snow storms at Tahoe are gradually lessening in violence and discomfort as times goes by, and soon now it may be that Tahoites will enjoy Saturdays and Sundays of sunshine and summer temperatures. Last Saturday, however, once more brought cold wind, rough water and wet snow flurries which continued throughout Saturday night and Sunday. Precipitation for the weekend storm this time was little moer than a "trace," as Weather Observer Frodenberg reported only .06 inch. The lake level on Monday morning stood at 6226.35 feet above sea level. The coldest weather for the past week was on the early mornings of May 14 and 15, when temperatures fell to 25 above.

Music Festival

On Friday evening, May 13, a good half of the Tahoe City and vicinity residents gathered in the Tahoe-Truckee High School auditorium to enjoy the Musical Festival put on there by the primary grades of the respective schools in the unitied district. The large stage was brightened by a huge mural, painted by the students of the third and fourth grades of the Tahe Lake school, assisted by their teacher, Mrs. Lillian Farr, which depicted a scene out of the old wild west, with very life-like Indians and wagon trains among the hills and prairies. A group of kindergarten and first graders dressed as wild Indians made a great hit when they danced the snake dance, the sun dance. A great deal of the success of the entire program was conceeded to be due to the constant vigilance and efforts of the Tahoe Lake principal, Mrs. Ruth Roberson, who worked very hard for weeks previous to the showing, and spent many hours training her student choir in their singing parts. In the finale the choir presented very beautifully one of our own songs, "Hymn of the Sierra," with music by the high school composer, James Pringle. This number was graciously received by a large audience and drew a thunder of applause.

After the entertainment a number of the participants were invited to an informal reception at the Rooberson home on the Truckee River where refreshments were served an da social hour was enjoyed by all.

Fishing

On Saturday the fishing season opened in the back country lakes and in the California waters of the Truckee River. Although for awhile the rover banks were lined with parked cars, the fishermen's ardor was soon dampened by the unseasonal bad weather. Also the almost-dry state of the river bed between the outlet dam and the inflowing of Squaw Creek, five miles down the canyon, is anything but encouraging to fishermen. The gates of the dam, which were open through the winter filling the river to its banks, were all closed as fishing season drew near, and now the river bed grows dryer day by day. Also opened for the season on Saturday was the main lake highway around Emerald Bay, which strip of road is usually closed by winter snows until June or laer. Traffic on all the lakeshore highways has greatly increased since the first of May, and a very busy summer season is expected in the region.

Fire Warning

According to National L. A. Rickel of Nevada City, visiting in this locality recently, fire closure laws are to become effective in all sections of the Tahoe National Forest from the 15th of this month through to October 31st. After fire closure laws go into effect, he said, smoking in the National Forest areas will be prohibited as follows: While traveling roads or climbing trails on foot, or riding a horse, and while among grain fields, dry grassy slopes, brush or timber, or when in any area posted against smoking.

Our forestry officer in this district, C. S. (Butch) Beavers, after ten years of service in the Tahoe region, left the U.S.F.S. on a year's leave to enter private business. He said he will remain a resident of Tahoe City indefinitely. Beavers is going to be associated with the Tahoe Realty Co. of this city, which for several years past has been headed by Mrs. Ruth Droste. He will also assist in the operation of the Tahoe Tree Co., as a partner with David McBride, and will specialize in silvicultural tree service, forest gardening, timber stand improvement, and removing or topping trees and etc.

Remodeling

Fred Kilner, Homewood realtor, is busy this week remodeling part of his apartment block in Tahoe City. The largest ground-floor apartment will again be occupied by Bank of America for the summer beginning June 1. The adjoining storeroom, the former Variety Store, is being fitted out for the new telephone office here. It will be operated as an office only, while the telephone exchange work will continue as usual in the building now being used for that work.

Back at Lake

Mrs. Gladys Quam and daughter Dorene, former residents here in the past, who spent the last four years living in Truckee, have again moved home to Tahoe City to stay. On the first of May they rented the Landa home on River road, and are now settled comfortably there for the season. Both are employed at the telephone exchange here. Their many Tahoe friends are glad to have these popular neighbors back in their midst again.

At Summer Home

Mrs. Alice Gebhardt, who spent the winter at her daughter's home in Albany, returned to Tahoe City during the past week and is now settled in her neat summer cottage on Lake View Drive. Alice has spent her summers, and most of her winters also, in Tahoe City for the past 35 years of more.

At Andersons

Mr. and Mrs. Dave Owen of Lindsey visited at the A. M. Anderson home for several days during the past week. The Owens plan to spend the summer here if they are fortunate enough to find a cottage for rent. Most available rentals in this vicinity have been taken very early this summer.

Serve Dinner

On last Saturday night Sarah and Bill Hunter, proprietors of Bacchi's Inn at Lake Forest, served their annual Good Neighbors' dinner to something over 500 friends and neighbors of the region. The buffet dinner was served in Sarah's most appetizing style, and free to all friends as usual. During the later evening hours the double dining room was cleared of atbles, and dancing was enjoyed to the music of recorded orchestras. A good time was had by all straight through to the wee hours of the morning.

GATES STILL SHUT

TAHOE CITY—The gates from Lake Tahoe into the Truckee River were still closed Monday and the lake level had risen to 6226.35 feet. Precipitation Sunday in the form of rain and snow measured .06 of an inch, Art Frodenberg, cooperative observer, reported.

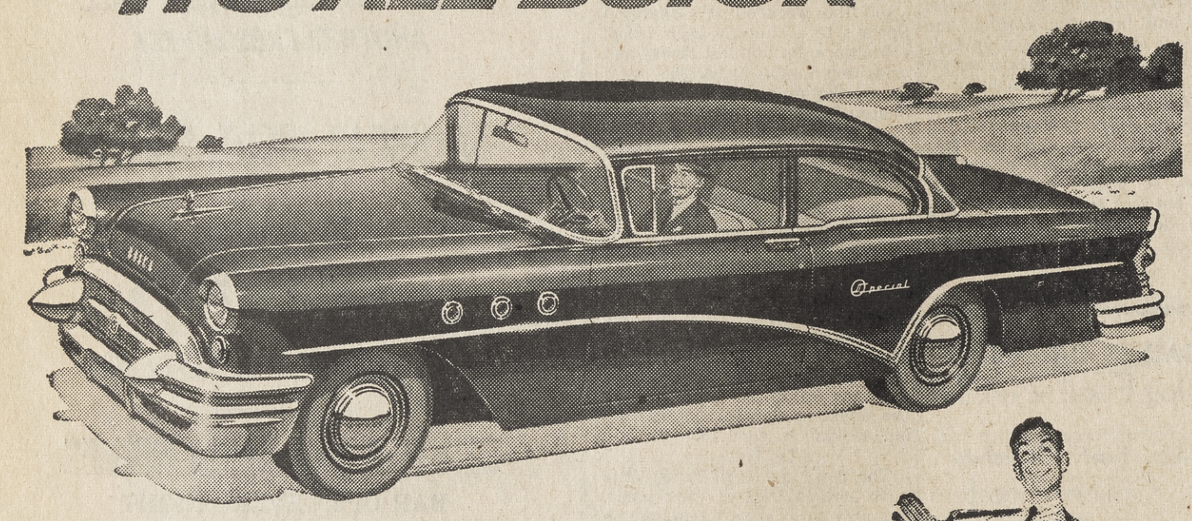
IT'S ALL BUICK



—AND ALL YOURS

for only $2627.00 delivered locally!

2-door, 6-passenger Buick SPECIAL Sedan, Model 48, illustrated. Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities. Even the factory-installed extras you may want are bargains, such as: Heater & Defroster—$81.70; Radio & Antenna—$92.50.

YOU certainly *can* throw out your chest and call this strapping big Buick yours.

Because—as any comparison shows—the dollar difference between this brawny beauty and the well-known smaller cars is now virtually erased.

So if you've been holding back, thinking a Buick was out of reach—*let yourself go.* You *can* afford a Buick if you can afford *any* new car—and the price we show here proves it.

Buick Sales Are Soaring To New Best-Seller Highs

That's a major reason for the phenomenal success of Buick today. So much so, that production and sales are hitting new peaks to move Buick more firmly into the tight circle of America's best sellers.

And a companion reason for this soaring popularity is Buick's full line of cars to give you a choice in *any* price class—the bedrock-priced SPECIAL, the high-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

But pure and simple, it's all the automobile you get for your money that's winning so many new owners to Buick.

It's the extra pride you feel, the extra room you enjoy, the extra comfort you get, the extra safety you sense—from Buick styling, Buick size, Buick ride-engineering, Buick solidity of structure.

It's the extra lift and snap and ginger you get from Buick high-compression V8 power—and the fun and thrill of bossing such eager might.

As we said—if you can afford any new car, you can afford a Buick—even with the spectacular performance of Variable Pitch Dynaflow† at modest extra cost.

So why settle for anything less than a Buick? Drop in on us, take the wheel, press that pedal, and see for yourself what a whale of an automobile—and a whale of a buy—today's Buick really is.

†*Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series*

DID YOU KNOW—
—**that** the Buick SPECIAL is priced below any other car of 188 horsepower and 122-inch wheelbase?
—**that** the Buick SPECIAL is priced below some models of the three well-known smaller cars?
—**that** the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?

Thrill of the year is Buick

Word Of Death Of Fred Manley Is South Is Received

TAHOE CITY—Word came by wire from Los Angeles, to Otto Rempfer of Lake Forest, on May 15 of the passing of Fred Manley at his winter home in that city. Manley was a summer resident of Tahoe for many years past, and through the early 1940's he operated a real estate business in the Tahoe Park area for William Lambert, a landowner of great extent here at that time.

Manley passed away on Thursday morning, May 12. Funeral services were held at the Pierce Brothers Funeral Home in Hollywood on Monday, May 16, at 12:30. He is survived by his wife, Edna, of Los Angeles. Many friends of the couple in this region extend sincere sympathy to the bereaved widow.

School News

TRUCKEE ELEMENTARY

Kindergarten: Recently the class has become interested in various types of rocks. Timmy McLane, Lenny Vind and John Collier brought specimens of granite and schist to show us. Barbara Steele, in the third grade, brought some rocks containing copper.

First Grade (Mrs. Croxen's): During the remainder of the year, the first grade will have spelling taken from their reading books and words they actually have a need for in their daily work. The children made their own spelling bookcovers and are encouroged to take pride in the neatness of their writing.

First Grade (Mrs. Bissett's): In connection with our study of American Indians, we have learned to recognize Indian symbols. We drew pictures and labeled them.

We have learned to beat a drum in rhythm and have learned the toe-heel step of the hoop and eagle dances.

Second Grade: In spelling we read a story, on Monday, containing our new spelling words. During the week we write sentences using these words. On Wednesday we take a trial test and on Friday we take a final test. This week those getting their 12 words correct were Marcia Leamon, Judy McGwinn, Carolina Urbina, Eddie King, and Salavador Cabrera.

Third Grade: The third grade is finishing the spelling books this week. This will be followed by a general review. We are also making a vocabulary of words connected with our planned excursion to Sacramento on May 20. These words will be used in sentences, paragraphs, and short stories about the trip.

Fourth Grade: The boys and girls in the fourth grade receiving 100 per cent in spelling last week were Darby DeLisle, Kathy Curran, Dennis Whiteneck, Jerry Kirby, Ellen Patnoude, Mary Ann Miller, Janice Eaton, Gene McGihon, Janice Roth, and Janice Stewart. Those missing only one word were Daven Morey, and Joe Parkhurst.

Fifth Grade: We try to develop an awareness of spelling in everything we do, since the ability to spell properly is such an integral part of all phases of learning. We look for difficult spelling words not only in our spelling lessons, but in our reading, arithmetic, and social studies, lessons as well. Most of the class enjoy locating such "toughies" as "orithologist," "metamorphosis," "circumference," and "Tallahassee," and then learning their meaning and how to spell them.

Sixth Grade: Members of the class have been learning the correct spelling and pronunciation of words they use and encounter in social studies, both in class assignments and individual research.

At present one spelling group is engaged in taking the final sequence of review tests for the year.

KINGS BEACH SCHOOL

Kindergarten, First: Tommy Glynn is new to our room. Tommy is in kindergarten.

The following children are now reading "Fun With Dick and Jane": Vern Wing, Joan Palmer, Vicki Russell, and Paula Martin.

Grades Two and Three: A new boy in our third grade is Michael Glynn. We are proud to report that we had perfect attendance this week.

Our class won the thrift banner two weeks in a row.

Friday, during art period, we drew posters for the savings contest sponsored by the Bank of America.

RECEPTION HELD AFTER CEREMONY FOR TAHOE PAIR

TAHOE CITY—Father Ronan Brennan of Truckee officiated here at the Corpus Cristi Church on Saturday at 6 p.m. in a special service of re-marriage and blessing, for Mr. and Mrs. John Anderson of this city. Mr. and Mrs. Richard Carnell of this city stood witness for the pair at this ceremony as they did in their civil marriage by Justice of the Peace several years ago.

After the services a surprise reception was held for the Andersons at the Carnell home on Lake View Drive where, with various other refreshments, an elaborate wedding cake topped with a miniature bride and groom, was served with champagne to the honorees and the following guests:

Mr. and Mesdames Pete Vanni, Don Jackson, Jack Broyles, Martin Spitsen, Wm. Bechdolt, Ben Jones, Bill Conners, Kenneth Marvin, Howard Pyle, Mrs. Rose Boyiarides and George Roy.

Last Rites Held For Leo Marthaller Here

TAHOE CITY—Funeral services were held here at the Catholic Church at 10 a.m. Monday, for Leo Marthaller, owner of the White House resort at Carnelian Bay for the past ten years. Marthaller lost his life in an auto crash a week ago Tuesday while driving through Arizona on his way home.

He was reported driving alone, with only his two dogs in the car. and no particulars of the accident could be learned. Burial was in the Tahoe City cemetery immediately following the services. The many friends throughout the lake region and adjoining localities, who were shocked by his untimely passing, join in offering sympathy to the sorrowing family. The Truckee Colonial Mortuary was in charge of local arrangements.

TO OPEN RESORT

Don Huff of Woodland is at his Homewood Resort to prepare it for opening on May 27.

Olives were first grown by the Assyrians and later taken to the Holy Land.

Club House Looted At Tahoe Course

TAHOE CITY—Last Wednesday morning the proprietors of the Tahoe City golf course property discovered that the clubhouse on the wooded south end of the greens, had been broken into the second time within a few months.

Constable Harry Johanson, who was called to investigate, said that this latest misdemeanor cannot be laid to young vandals who broke in there, as they are still being detained because of depredations committed during the early winter.

The marauders this time gained entrance by breaking the clubhouse door off its hinges. They ransacked the place somewhat, and it was thought they may have helped themselves from the liquor store. However, the only thing that could be definitely proven missing was four dollars in change left in the cash register. The constable is still investigating, and searching for clues that may have been left.

WHERE WOULD YOU LIKE TO GO THIS SUMMER?

Suppose you could go wherever you wanted on your vacation this summer—without worrying about expenses? If you have a steady job and a reputation for paying your bills, you can do it with *Timeplan*. Here's all there is to it: First, figure out how much you'll need for transportation, hotels, food, and all the fun that's waiting for you. (Be sure to allow enough for "extras"!) Then come in to our bank and arrange a *Timeplan* personal loan to cover everything. You can repay in small monthly instalments when you return.

HERE'S A TIP FOR NEXT YEAR!

For a *really* carefree vacation, naturally there's nothing like having the money saved up in advance. If this idea appeals to you, right now is a good time to start putting a few dollars aside every payday for next year. Once you get into the habit you won't miss the money at all. If you'd like us to work out a plan for you, come in to our bank and ask about a Thrift Club account. Vacation savers have been using this systematic savings plan for years.

? BofA *Quiz Corner* ?

DID YOU KNOW THAT Bank of America Travelers Cheques cost only 75¢ for each $100 worth you buy? They're the safe, sensible way to protect the money you take on vacation. They're self-identifying, and you can cash them wherever you go. *Don't leave without them!*

Hot summer days will soon make our forests and grasslands ripe for destruction by fire. Be careful with fire, always.

SUMMIT SCENE

by FRAN COUILLARD

That in-bettwen season colorlessness that prevades a resort area holds the Summit Scene in its thrall at the present writing. The noise of a truck grinding its gears as it labors up our steep tiers is as welcome as the soprano shrieks of the prima donnas of the rails—the sleek diesels. At least these cacophonies of sound remind us that others live whilst we hiberate in our sepulchers. Faint ramblings of a new season are heard, however as the soft tread of footsteps on snow-covered roads and lanes reach our atuned ears.

The first of these were the trudgings of the Kingvale Belles, the Willard Smith family, and Dr. Mabel Ingersoll who tried their summer winged feet this past weekend into their Kingvale cot, lodge, and mansion to see if the time had not possibly arrived for their invasion. As though to discourage them a few clouds drifted into plaguing formation and shook their pillow tickings — so our intrepid summerites jumped in their cars and went home westward.

Mrs. Pearl Davis of the Christmas Inn at Kingvale, however, stubbornly parked her car, disdained the belching heavens and starts to houseclean her charming motel for a possibly busy Decoration Day holiday weekend.

Loren and Flo Wofford of Kingvale amuse themselves by painting their attractive coffee shop with gay colors to greet a dubious break in the bleak weather.

Turbulent, pushing water of the Yuba—plus the aforementioned "feathers" sent adventuring fishermen ino other areas as the opening day of fishing season met them with a chilling cold shoulder. Even the news of a "catchable size trout" planting a few days before the opening, was not enough to stimulate the bravest angler to whipping the water of a stream that froze a line in its guiders and made a reel a block of ice in his hands.

Elmor Moriano of Beacon Hill (the optimist) cleans his swimming pool, paints his cabanas, oils the high fences that surround the pool and brazenly announces that his dining room will be opened to the public on June 15. Presume El' will observe the same hours as of last summer. Good Chef John Lucas returns to his home on the range at Beacon where he will wield his spatulas, spoons and French knives.

Ken and Esther Heinbach of Rainbow Tavern are not daunted by the slow season that mesmerizes the Hill. Banquets bloom in their dining room steadily as their front doors swing open to the cold blasts of our coquettish weather.

The "ins and outs" of our permanent populace keep us dizzy trying to record their entrances and exists. Mother's Day took Barbara and Bud Zorich to Plymouth where they laze in the sun (we hope) for a rest after a busy, busy ski shop season. We tripped to Sacramento for a few days to help our Mom celebrate a well earned Mother's Day. Adeline and Bill Bast of Oakland climbed mountainward to make a Mother's Day out of it by visiting big brother Bill Rutherford for a few days. John Carl hired a boy to drive him back into his Soda Springs haunts for a few hours. John recently discharged from the hospital, is looking much better and sincerely hopes that his days of hospitalization are completely over. John will finish out the cold season in Grass Valley where he has resided since last fall.

Jess and Roy Thompson take a look toward their Cedars summer jobs—turn their back on the snow banked ten mile road that leads therein—and take off for San Francisco for a Cedars directors conclave. They expect to make their way into their summer paradise within a shorttime, however, which means that in all likelihood they'll have to travel at least a part of the way in their little snow go.

We hear through the grapevine that Ice Lakes expects to throw open ts doors this summer.

Legion Officers

A meeting of the Donner Summit Post 811 (Harold Eugene Jones Post) held at Bill Rutherford's guest house this past week discloses that business transpires in the Highest Post in California Milton Hogle (Uncle Milty will carry on as commander. Way down from Emigrant Gap way—Carl (Doc) Widing is chosen first vice president; Loren Wofford accepts the office of second vice. Incumbent Bill Rutherford remains in the same chair as adjutant. Chuck Reynolds (the unopposed candidate for the new office of third vice for the 6th District of the Department of California, will still guard the money bag as finance officer. Bill Strickland will officiate as chaplain. Two more Doc's (other than Doc Widing) take office—Doc Rockholm as sergeant-at-arms and Doc Buek as historian. The new office of judge advocate of the post is taken over by Russell Jueck of Big Bend Ranger Station. Directors are Past Commanders Rutherford, Bert Barber, Elmo Moriano, Henry Piche, Bud Horak and Chuck Reynolds; present Commander Milt Hogle and Al Magdefrau of Auburn, accountant. We purposely skipped Service Officer Elmo Moriano, and here's the reason. Elmo, who has served for several years in that capacity—has done such an outstanding job that he was given an invitation to join 40 and 8. He was "wrecked" into that exclusive branch of the legion, a short time ago in Reno and even though we imagine that his "wrecking" was a little on the rough side—the corresponding significance of the honor gives the Mighty Mite a big glow.

We have just said "adieux" to Virg, Wanda Ricky, and Sandy Misener who spent the weekend at Soda Springs. Ricky and Sandy, forgetting that at one time they lived in the snow—acted just like any other tourists kids and built themselves a snowman.

forgetting taht at one time they in the snow—acted just like any other tourists's kids and built themselves a snowman.

You don't go to a hospital to get a lift, as a rule. But if you really want one—don't fail to look in on Janey Vinson who held the skier's record of breaking both legs at one slipping. Jane, either sitting in her wheel chair, or reclining in her trapezed bed, exudes, enthusiasm, optimism, happiness and all of the other synonyms for well being. One must stand in line in the hall to get a chance to drop in to say "hello." The extra bed, the chairs, the tables, and around the walls, are piled with presents, books, magazines, flowers—and all of the booty that goes to the indisposed. Janey is supposed to wriggle her toes. On each casted foot is a ribbon bedecked "hat" under which is painted a face. Hair for these toe puppets is made of curled ribbon. As Janey's radio plays the toes beat out the rhythm with the toe dolls cutting a rug to the down beat. Even the other patients who can get out of bed wander down the hall to get a lift from Jane's "never say down" spirit. Among these, at the present writing, is Doris Chaplin who recupes in the room next to Jane's. "She's the most cheerful patient I've ever seen, says Doris. And we'll say that if we ever have to go to a hospital—we hope that we have a next door neighbor like Janey. Doris is getting along nicely, too and hopes to be home before long.

Postal cards from Glen and Velda Parsons tells us that they are in Canada and having a wonderful time. (We're glad that they are behaving as tourists should and mailing cards home that say "Wish you were here.")

Maggie Avila comes panting into our office as she hurries to catch an airliner out of Reno, destination San Diego—occasion—legal secretaries convention, anticipation, good time.

All of our article cannot be composed of cheer, and trips and happiness. We digress to extend our heartfelt sympathy to Jess Thompson who tells us that her beloved father passed away recently.

Eula and Jim Sherritt wear their tires out with "tripping" between their Wheatland ranch and their Soda Springs home. We catch our first glimpse of Betty and Edvi' Aro's latest offspring, Sue. A lovely, chubby baby with eyes as blue as the Finnish sea of Edvi's ancestors—and in the years to come—we predict that she'll be a dead ringer for her grandmother, Lempi Aro. Marie and Bill Strickland labor to improve the interior of their Soda Springs home. From Carl and Glady Buek comes the good, good news that their son Dick (Yep—Mad Dog the Skier)—is to be discharged from the hospital in the East—and will return for recuperation to their Soda Springs home. The red rug has been unrolled—and the flags are unfurled.

We get a card from Ruth Meader who is traveling.

Ed and Carolyn Helgren of Helgren's Lodge return to our area after a few days of "baking" at Palm Springs. Goldie Rowten returns home rested after visiting her children down bay area way.

We hope our next spread can include the news that all lodges are open for business—that cars stop, instead of rolling quickly by. That fishing license sales are booming, that the skies are blue, that our hospital cases are now home comers, and that all's right with the the world!

RULING FOR BOATS ON LOCAL WATER IS CITED BY STATE

The Harbors and Navigation Code of the State of California has issued provisions of the state code regulating the operation of power boats in navigable waters such as Lake Tahoe, Donner Lake and Boca Reservoir.

The law applies not only to waters which have been declared navigable but which are navigable in fact.

The code prohibits the operation of any power boat at more than five nautical miles per hour in certain areas, including:

Within 100 feet of of any person who is in the act of bathing.

Within 200 feet of any:

Beach frequented by bathers.

Swimming float, diving platform or life line.

Way or landing float to which boats are made fast or which is used for the embarkation or discharge of passengers.

Counties or cities may make further restrictions concerning navigation and operation of power boats and may grant permits to bona fide yacht clubs or civil organizations to conduct motorboat races over courses established, marked and patrolled by authority of the United States Coast Guard or other officer having authority over the waters on which the race is proposed to be conducted and on such days and between such hours as may be approved by the officer.

Except in cases where a different punishment is prescribed by any law of the state, every offense declared to be a misdeameanor is punishable by imprisonment in the county jail not to exceed six months, or by a fine not exceeding $500, or by both.

Two States Cooperate To Improve Fishing

Joint operations by the California Department of Fish and Game and the Nevada Fish and Game Commission at the Heenan Lake egg-taking station will begin shortly, California fisheries men revealed.

According to an agreement with Nevada recently ratified by the California Fish and Game Commission, 1,500,000 cutthroat trout eggs will be taken, with the first 800,000 going for use in California and the remainder for Nevada.

Surplus adult fish will be planted in various lakes and streams of Alpine County. Last year more than 3000, averaging about two pounds, were planted.

BOATS.. then and now
THE WORD "YACHT" IS DERIVED FROM THE DUTCH "JACHT" WHICH MEANS TO SAIL A BOAT FOR PLEASURE OR SPORT."
KING CHARLES II's 25 TON "JAMIE"
COMPETED IN FIRST YACHT MATCH IN 1662. RACED FROM GREENWICH TO GRAVESEND AGAINST DUTCH CRAFT FOR A PRIZE OF 100 POUNDS.
FORERUNNER OF THE MODERN STAR CLASS RACING BOAT WAS THE SHARPIE, WHICH FIRST APPEARED IN 1835.
IT WAS ORIGINALLY BUILT FOR OYSTERING IN LONG ISLAND SOUND.
Today's MOLDED PLASTIC TECHNIQUES HAVE REDUCED THE CONSTRUCTION TIME OF A PLEASURE CRAFT HULL FROM MONTHS OF PAINSTACKING LABOR TO A SINGLE DAY.
The NEW SLOOP "RUMOUR"
MADE OF LAMINAC PLASTIC AND GLASS FIBERS, PLACED HIGH UP IN THE 1954 ATLANTIC CLASS ASSOCIATION CHAMPIONSHIP. IT WAS THE FIRST PLASTIC BOAT EVER TO ENTER THIS COMPETITION ↪ PLASTIC BOATS ARE EXCEPTIONALLY STRONG, WON'T CRACK, WARP, ROT OR RUST.

ROADSIDE STATIONS FOR TOURISTS IS OBJECT OF MEASURE

Competition from other states for valuable tourist dollar is keen, and establishment of a series of roadside rests throughout the state would place California on an equal footing with other states competing for the tourist trade, according to the Travel and Recreation Department of the State Chamber of Commerce.

Two bills are now before the legislature which would provide these simple roadside conveniences. AB 21 provides a very workable plan for their initial establishment, aid AB 294 appropriate $1 million for their installation and maintenance. The funds are available and would be appropriated from the accumulated oil royalties accruing to the state park fund.

These radside rests are turnouts which will accommodate one or two cars and are equipped with one or more tables and benches and a trash disposal unit. They are intended for temporary stops where motorists can pull off the road in safety to relax, enjoy a smoke or eat a snack before proceeding on their journeys.

From 25 to 35 per cent of the fires which the division of forestry has to fight each year start along the roadsides. The proposed system of roadside rests will contribute importantly to a reduction of these roadside fires, thus materially reducing division of forestry costs of combating such fires. The trash disposal units which will be a feature of each roadside rest will aid materially the roadside cleanup campaign, thus effecting savings in the large sums now being spent by various governmental agencies in an effort to keep our roadsides clean. Last, but not least, is the real pleasure which will be found in driving along clean and unlittered highways.

Mrs. Knight Named As Poet Laureate For Ode To the President

SACRAMENTO (CNS)—California now has two poet laureates, although one is an honoray poetess laureate of Delaware.

Gov. J. Caleb Boggs, of Delaware, announced he had appointed Mrs. Goodwin J. Knight, wife of the governor, to be honorary poet laureate of that state.

California's own poet laureate is Gordon W. Norris, of Los Angeles, who was appointed by the state legislature in 1953.

Mrs. Knight, thus, is the fifth poet laureate to reside in California. The other three, who were of this state and not of any other, were Ina Coolbrith, named in 1919; Henry Meade Bland, named in 1929, and John Steven McGroarty, named in 1933.

The poem which won Mrs. Knight honors in Delaware follows:

"THE PRESIDENT SMILED AT ME"

The President smiled at me!
And every fiber of emotion swelled
within my soul . . .
In that split moment, . . recognition!
Two old friends of long ago.

The President smiled at me!
And waved his hand for all to see.
And I blushed . . . and smiled . . .
and bowed my head,
So deep was my humility . . ..
When the President smiled at me!

About 60 per cent of the pencils produced in the United States are manufactured by four firms in the New York-New Jersey area.

California's production of gold in 1954 was 235,000 fine ounces, valued at $8,326,000.

It is certainly good to have fishing season open two weeks early this year; its a shame that the weatherman couldn't cooperate to give us the grand opening we usually have. Did you see the boats on Donner Lake Saturday morning? There were so many they almost dwarfed the lake and several lake residents told me that there were many more boats this year than in the past.

* * *

This should be a good omen for our annual boat races to be held on the lake this July 10. In passing I might mention that we are having a second racing meet this year on September 10. The State Parks Commission informs me that they expect to get started on the improvements to Donner Memorial Park this year. The state has acquired more beach area at this end of the lake. These improvements should make our popular park, even more so.

* * *

Since school summer vacations are so near, I think it is good to remember our children and their safety. Let's all be ever vigilant and drive courtiously and carefully at all times.

* * *

The Public Utility was very generous in acquiring the old Ice Palace property for our development. Jack informs me that he expects to get to work on the ice rink very soon now. I'm sure that everyone will cooperate on this project. So all of our children will have a place to skate this coming winter.

—HAL WELCH

Success Marks First Hits & Mrs Revue

TAHOE CITY—The outstanding success of last Thursday night Hits and Mrs. Review, put on in two shows at the Tahoe Inn, is largely credited to the skillful arrangement and directorship of Robert E. Beaverson, the only man associated with the 30 some young mesdames in the group.

Beaverson, who is the son of Mrs. Ruth Hatch of this city, has had considerable previous experience in theatrical work of various types, beginning as far back as his high school days when he sang, with an acappella choir, for private entertainments in his home town, such as weddings and Christmas and Easter services.

A few years later the young man was engaged in the direction of a radio comedy series titled "The Mad House," which showed in the city of Pasadena, and still later he was associated with the well known music instructor, Wayne Moore, in the position of assistant director under Moore in the Wayne Moore Little Theater in Laguna Beach. Previously Beaverson had majored in voice and drama at the Compton Junior College in Compton, Calif.

Fund Raised

The musical review here was given as a benefit for the Tahoe Forest Hospital, proceeds to go toward the purchase of needed hospital equipment. The evening's receipts from the show added up to more than $500, which was considered an admirable accomplishment for the group's first major performance.

A few of the many noticable "Hits" made during the evening were as follows: A striking impersonation of Jimmy Durante, done by Mrs. June Grinstead; the old time song hit, "Out Behind the Barn," sung by Mrs. Carol Marvin costumed as a farmer lad; Mrs. Mazie Carnell singing "The Good Old Summertime," leading role in the chorus-finale; Mrs. Edna Obexer as Town Crier, reciting publicity skits in jingle style for various businesses in Tahoe City and adjoining localities; and in a one-act tragedy titled "Death at Tahoe Pines," the villian was vividly portrayed by Marion Rustad and his "wife" by Violet Pomin.

Beautifully costumed ladies included in the Can-Can chorus included Bobbie Jackson, Doris Clark, Mary Ann Conners, Carol Marvin, Margie Broyles, Martha Snyder, Alberta Stark and Audrey Brehler. A three-piece home talent orchestra furnished the music, with Mrs Pat Vanni at the piano, Mary Ann Tonini, trap-drummer and Dinty Moore on the banjo.

The first U. S. post office air mail route was between Pasco, Wash., and Elko, Nev.

CARD OF THANKS

We wish to thank our friends who were so thoughtful during our recent bereavement; your kindness will long be remembered.

Mrs. T. G. Goicoa
Irene and Louis Goicoa
Mr. and Mrs. M. Goicoa

CHURCH NOTES

During the service of worship last Sunday the officers of the new church year for the Women's Society of Christian Service were installed.

The following took office: President, Mrs. Jack Ellis; vice president, Mrs. Wesley Osman; secretary of records, promotion and publicity, Mrs. Ben King; treasurer, Mrs. Harry Barnes; secretary of missionary education and service, Mrs. M. C. King; secretary of supply and literature publications, Mrs. Lynn Kishbaugh; secretary of christian social relation and local church activities, Mrs. Victor McLane. Their term of office begins in June. Rev. Osman presided at the installation.

Sunday Gene Risden has been asked to preach at the morning worship service. In the evening the Methodist Youth Fellowship is meeting a half an hour early at 6 p.m. from now until the end of school.

In City—

Jack Neugebauer returned this week from a business trip to San Francisco where he booked pictures for his Donner Theater.

Back for Fishing—

Fred Calkins has returned from Biggs, planning to spend several months in Truckee. He recently rented his house at Gateway Park to Mr. and Mrs. Harvey Hocker.

Recuperating—

C. B. White is again about town greeting friends and conducting business, following two operations.

Tarzan

by EDGAR RICE BURROUGHS®

TARZAN ELUDED THE CHARGE OF A LEOPARD-- BUT FATE TOOK A STRANGE TURN WHEN A SECTION OF ROCK BROKE AWAY FROM THE ESCARPMENT.

THE APE-MAN PLUNGED INTO A STAGNANT POOL OF WATER AT THE BASE OF THE CLIFF--

--WATER JUST DEEP ENOUGH TO SAVE HIS LIFE! DIZZILY, HE SHOOK HIS HEAD TO CLEAR HIS SENSES.

UNDAUNTED, TARZAN NOW SEARCHED FOR FOOD IN THIS STRANGE VALLEY THAT HE HAD RECENTLY SURVEYED FROM THE CLIFFS ABOVE.

DICK VAN BUREN DON GELARDO 5-22-1263

HE HAD NOT GONE FAR WHEN HE WAS ALERTED BY A CHALLENGING CRY. HE SPUN ABOUT, GASPING--

FOR THERE, SEEMINGLY PROJECTED OUT OF MEDIEVAL TIMES, WAS A FANTASTIC FIGURE ON HORSEBACK--- A KNIGHT IN FLAMING RED ARMOR!

FOR SEVERAL NIGHTMARISH WEEKS THE SNOOTWORTHYS HAVE WATCHED THEIR SON, BRATLEY, ARRIVE HOME, MARCH UP TO HIS ROOM...

IN THE (SHUDDER) BLACK BAG HE'S GOT **MONEY!!**

IT'S THE **SAME EVERY DAY!** HE SORTS THE BILLS INTO PILES, TIES THEM, AND SLIPS THEM UNDER HIS MATTRESS!

I'VE MADE DISCREET INQUIRIES AT THE POLICE STATION- BUT THEY HAVE NO REPORTS OF ANY HOLD-UPS OR BANK ROBBERIES!!

SUCH A SHREWD, DECEPTIVE LITTLE LIAR, HE'LL JUST **MIX US UP** IF WE (SOB) **DARE** TO QUESTION HIM!

MEANWHILE

MR. MAYOR?

WANTED

SEE HERE, CHIEF - YOU'VE GOT TO DO ME A PERSONAL FAVOR-- NOTHING COMPLICATED, MIND YOU -

IT'S... BZZZ... BZZZ... BZZZ...

YOU (GROAN) MEAN **BRATLEY SNOOTWORTHY!**

BEFORE I'D TANGLE WITH **THAT** LITTLE MONSTER, I'LL POUND **PAVEMENTS**.. I'D **WASH DISHES**.. I'D (GASP) **HANG MYSELF!** I **RESIGN!!**

YOU MEAN HE'S VISITED YOU, TOO?

I (SHIVER) WAS THE **F-FIRST!**

TOMORROW I (CHUCKLE) PAY A CALL ON THE SUPERINTENDENT OF SCHOOLS.'

CURLY KAYOE

by SAM LEFF-

OH, LOOPY... I'M LOOKING FOR CLARENCE!

HE'S OVER YONDER IN CLOWN ALLEY, CURLY!

WHAT BRINGS YOU HERE TO CLOWN ALLEY, CURLY?

I WANT TO SEE CLARENCE!

HE'S OVER IN THAT CORNER, CHAMP. POOR GUY'S GOT THE BLUES!

WHAT'S TROUBLING YOU, CLARENCE?

I DON'T KNOW, CURLY... I JUST FEEL PLAIN MISERABLE!

I CAN'T SNAP OUT OF THIS STATE OF DEPRESSION!

YOU SHOULD TRY TO FIND OUT WHAT'S WRONG, PAL - GO SEE A DOCTOR!!

Tm. Reg. U. S. Pat. Off.—All rights reserved
Copr. 1933 by United Feature Syndicate, Inc.

DID YOU FIND OUT WHAT'S BOTHERING CLARENCE, CURLY?

NO, MR. BINGLING - BUT HE TOOK MY ADVICE TO SEE A DOCTOR. HE OUGHT TO BE BACK SOON!

THERE HE IS - BUT HE DOESN'T LOOK HAPPIER!

OH, CLARENCE...

WHAT DID THE DOCTOR SAY?

HE TOLD ME TO GO TO THE CIRCUS AND WATCH A CLOWN NAMED CLARENCE... GUARANTEED TO CHEER ME UP, HE SAID!
